# WHAT HAS TO BE DONE TO ACHIEVE THE PROJECTED TARGETS?

## IN THE SHORT RUN

## IN THE LONG RUN

2019

2020

2021

2025

- Not only the government, but also **all levels of the society should join their efforts** to implement the planned actions;
- The implementing agencies should not only focus on implementation of separate actions but also on **achieving the 2020 targets** by applying **result-based approach**;
- Our entrepreneurs need **to operate transparently, follow the principle of responsible borrowing**, and increase productivity, as well as, revenues by **showing initiative** and **using the enabling environment and infrastructure** introduced by the state;
- Cooperation with international organizations and leading consulting agencies should be further expanded.

- **Organizational measures** should be taken;
- **Long-term vision** should be re-defined taking into account the **global, regional** and local **trends, challenges, risks** and **threats**;
- To achieve **long-term perspectives**, result-based strategy papers for 2021-2025 need to be developed.
