WEEKLY REVIEW

No 55

15.08.2022-19.08.2022

AUGUST 18

- Azranking.az: The next meeting of the Working group on technology and innovations was held
- Nijat Hajizade, the Head of department at CAERC, touched on important points about the essence of global inflation and the methods of solving problems caused by it on an interview with AzVision

AUGUST 19

The main points touched by the professor Vusal Gasimli, Executive Director of Center for Analysis of Economic Reforms and Communication, on the “Mir Şahinin vaxtı” program:

- Main priorities of the “Socio-economic development strategy for 2022-2026 of the Republic of Azerbaijan” and the indicators of economic growth
- What are the priority directions in the reforms of science governance and what will be the beneficial to economy and society in Azerbaijan?
- Oil revenues are increasing, but this situation makes it difficult for the collapse of world capital markets and the strategic currency reserves to increase at the same pace
- How does the economic growth in Azerbaijan affect in the citizen's budget in recent years? Where does the income go?
- Economic growth, passionarity and regeneration in Azerbaijan
