ENTERPRISE AZERBAIJAN: "STARTUP SCHOOL" PROJECT

The "StartUp School" project is created to turn the ideas of more young people into reality and support them along the way through cooperation by the "Enterprise Azerbaijan" portal of the Center for Analysis of Economic Reforms and Communication and the Ozmen Center for Entrepreneurship of the University of Nevada, USA.

GOAL
Supporting startups in the field of business management by providing academic knowledge to instill innovative entrepreneurial spirit and culture in the youth of Azerbaijan

TARGET
Stimulating the growth of small and medium businesses by training innovative young people with modern teaching methods

MISSION
Attracting alternative sources of finance to the country's economy by enabling the projects to enter the Global Startup Ecosystem
